### Eileen's 86<sup>th</sup> Birthday Celebration - Sunday 25 July 2010

As last year, Eileen celebrated her 86<sup>th</sup> Birthday by inviting some friends to join her at Rose Farm Cottage where Mary and Richard had organised a superb lunch in a splendid marquee in lovely surroundings. On this occasion, however, the event was specifically run in favour of St Elizabeth Hospice.

*Eileen, Mary and Richard, not forgetting Polly.....*

The day was a delightful English celebration with friends of all ages in a beautiful and natural garden, together with traditional music by Mary, Val, Trevor and their local group. It was an occasion to savour and remember, and we are all most grateful to Eileen for her kind invitation and, of course, to Mary and Richard for hosting the event and devoting so much time and effort to its planning and execution.

**Happy Birthday, Eileen.**

For the record, £675 was raised for the St Elizabeth Hospice – well done all.
