

SALT BINS

There are various bins for road salt around the parish and the council is in touch with Suffolk County Council, Highways Department to ensure that these are topped-up in good time. The bins are located at Mill Lane, Queens Head, Manse Hill, Old Maids Lane, opposite The Forge and at Quaker House, Friday Street.

A number of residents have agreed to assist by spreading the salt and grit in the event of difficult conditions. All these people are covered by Suffolk County Council insurance whilst carrying out this task:

John Garratt, Paul Baker, Richard Martin, Sue Thurlow, Kathy Churchill, Phil Summers, David Risk, Paddy Fielder, Will Elson and Steve Western.
