

## **BRANDESTON PARISH COUNCIL**

Clerk ; A M Hounsell

### Parish Plan - Transport for Medical Visits

The Parish Plan suggested that for some residents of Brandeston there may be a need for help with transport for medical visits.

To enable the Council to establish the level of need for such help, we would ask that any resident who experiences difficulty in attending medical visits due to lack of transportation to advise any of their Councillors (see list below). If anyone is aware of a fellow resident who may need help and has not seen this notice, please either speak to a Councillor on their behalf or ask them to contact the councillor themselves.

The Council will review this subject at their meeting on 14 October 2009. Accordingly, please let them know of any need by 7 October.

(The Council fully understand that many in the village already help their friends and neighbours on such occasions).

David Risk (Chairman)  
Helen Saxton (Vice Chair)  
Sue Thurlow  
Will Elson  
Paddy Fielder  
Phil Summers  
Kathy Churchill
