PARISH NEWS
DECEMBER 2012**

THE PARISHES OF BRANDESTON AND KETTLEBURGH

Dear Friends,

We live in a world beset by many problems, many of which seem quite hopeless ever to resolve.

And pondering once again on the meaning of Christmas, I think of Jesus, both the Prince of Peace and above all, the Bringer of Hope.

His entry into the world is a statement that God never gave up hope for the world He made, and that Christ is the very hope of God incarnate, still at work in the world, reconciling, healing, forgiving, loving.

Those of us who call ourselves Christians should be people of Hope.

I came across two lovely thoughts about hope which you might as it were, place on the mantelpiece this Christmas.

The first is by Ruben Alves, a Brazilian philosopher. It reads

‘Hope is hearing the melody of the future.

Faith is to dance it.’

The second is by an early Christian martyr, Severus of Thrace, who was martyred during the reign of the Emperor Diocletian (284-305). He wrote of his faith in God:

‘To all who are tossed by the waves, you are the calm of the harbour; you are the hope of the hopeful’.

May you all have a truly blessed and joyful Christmas, and be filled with hope that God’s story is still unfolding with all its glorious promise of wonderful things yet to come.

With love,
Harry Edwards.

Saturday 19 th January	7.30pm	Quiz Night at Brandeston Village Hall – see below

THE BENEFICE BIBLE STUDY

At our meeting in November, we read both the Book of Ruth and Paul's Epistle to the Philippians. Reading these books straight through from beginning to end gave us a real sense of each book as a whole. In the case of Ruth, we saw how the story unfolds as it is told from the points of view of the three main characters. And with Philippians, we were able to follow Paul's train of thought through the letter. It was an interesting and enjoyable evening.

We meet next on the third Tuesday in January 2013, Tuesday 15th January. We plan to follow the same pattern as in November, and we plan to read the Old Testament Book of the prophet Joel, and Paul's 1st Epistle to Timothy. Details of where we shall meet will be included in the January Parish Magazine.

These evenings are entirely open and free. Everyone and anyone who wishes to come is invited and will be warmly welcomed. No prior knowledge of the Bible is necessary. The aim of the evening is for each of us to discover more about the Bible, so that we understand more either when we read it by ourselves or when we hear passages in Church.

QUIZ NIGHT

The next Brandeston quiz night will be held on Saturday 19th January 2013 starting at 7.30 p.m. Please enter your team of 6 with Mary Baker – 685807. There will be a supper included in the ticket price of £.7.50 per person. More details next month. *Sue Thurlow*

PAST EVENTS

SUFFOLK EVENING - 10th November 2012

A big thank you to Peter Driver, Peggy Cole and Margaret Doe who entertained us with anecdotes, funny tales, poems and "Suffolk chatter".

It was a very sociable gathering which included a hot sausage and mash supper and was enjoyed by all. This event was organised by the Kettleburgh Green Trust to raise funds to continue the upkeep of the green which we feel is a very important resource for the village of Kettleburgh. *Martin & Linda Sims*

SHOEBOXES FOR ROMANIA APPEAL 2012

Thank you to those who took part in this year's Family Shoebox Appeal. This is the 21st year of the appeal, and this year 21 boxes were sent from Kettleburgh. There were 20 family boxes and one box suitable for an elderly person.

Link Romania relies to a large extent on volunteers, who help in the warehouse in Worthing, drive trucks for collecting and delivering and help with administration. Those who deliver shoeboxes visit schools, kindergartens, families, old people, communities living in old container blocks, derelict buildings and many other places. They are ever grateful for the generosity of shoebox fillers.

Another way of helping this charity is by collecting leftover foreign coins, which are converted to much needed funds. Although it is too late for this year, if you have foreign coins or notes (pre-decimal sterling is also good) that you would like to donate, bring them along to a Kettleburgh Coffee Morning, or contact Jackie Clark (723623). The coins will then be collected along with the shoeboxes in 2013. *JC*

CAN YOU DONATE YOUR WINTER FUEL PAYMENT TO HELP OTHERS THIS WINTER?

The Suffolk Foundation launches its second Surviving Winter Appeal to help alleviate fuel poverty among older people in Suffolk.

From 2007 to 2010 on average 454 vulnerable people, in Suffolk, have died each year from causes directly attributable to cold and poor living conditions, according to a recent study. The vast majority affected were over 65 years old. Sadly, this is just the tip of the iceberg - over 56,095 households in Suffolk live in fuel poverty, suffering in silence during the coldest months, often hidden from view, withdrawn from the world around them.

With many older people having to make the stark choice between heating their homes or putting food on the table, The Suffolk Foundation is launching its second Surviving Winter Appeal to help reduce fuel poverty and isolation in Suffolk. Working in partnership with Age UK Suffolk, The Suffolk Foundation is asking anyone that feels they are able to forgo their Winter Fuel Payment to donate either part or all of it to the Surviving Winter Appeal this winter to help make a difference to someone's life and reduce fuel poverty in Suffolk.

Last year, the Surviving Winter Appeal in Suffolk proved to be a lifeline for those that were struggling to keep their homes warm through the winter. Due to the fantastic support from the public last year the appeal raised over £55,000, which greatly helped older people in Suffolk last winter.

Working with Age UK Suffolk, The Suffolk Foundation aims to help even more older people to keep warm during cold winter months. If you know of any older people, living in Suffolk that would benefit from a Surviving Winter donation from this year's appeal then contact Age UK directly on 01473 359911.

If you would like to donate your Winter Fuel Payment or make a donation, please call The Suffolk Foundation directly on 01473 602602 or for further information visit The Suffolk

Foundation's website, www.suffolkfoundation.org.uk. To donate online visit:

THIS WINTER WHY NOT ORGANISE AN EVENT FOR MACMILLAN CANCER SUPPORT?

People living with cancer sometimes have to turn off their heating to save on their heating bills, why not raise some money for Macmillan to help people to stay warm this winter.

Macmillan Cancer Support give financial support to people when they need it most. The average Macmillan grant is £330 and this can make a real difference to the lives of people living with cancer. So why not organise a firework display, Christmas party, or make a donation to help Macmillan raise more money.

Every day in the UK another 822 people are diagnosed with cancer. We want to be there to reach every one of them and we need your help to do this. For more information please call the Macmillan Fundraising Support Centre on 0300 1000 200

SUFFOLK POLICE NOTICE

Police in Suffolk are urging residents to keep car keys out of view in their homes, following a spate of burglaries involving the theft of keys and subsequent theft of motor vehicles.

As part of Operation Drawbridge, Suffolk Police's campaign to reduce burglaries and bring offenders to justice, police are reminding all to take this simple step and stop giving burglars access to vehicles.

Supt Phil Aves said, "It is upsetting that we have seen a spate of this type of burglary this week. Not only are these offenders gaining access to people's homes and stealing their possessions, but also going one step further and taking keys so that they may steal vehicles. "If burglars have managed to get inside a home, it is essential that they are not offered 'easy pickings'. Valuable items, cash and jewellery should be kept out of view, and secured if possible, and keys should not be left in obvious places. Do not leave them near to windows and doors, as burglars will often target these directly, quickly gaining access and grabbing keys. Don't leave them in 'key holders' or similar with labels explaining what they are for, and avoid leaving them hanging in keyholes.

"We will do all we can to try and reduce the amount of burglaries happening across the county, and we will continue to help residents in making their homes more secure. On the unfortunate occasions where burglars do manage to access homes, we must ensure that we do not make their lives easy, by giving access to valuable possessions."

TIMES PAST

Recently it has been possible to examine a book 'Extenta Maner de Woodbredg Nuper Priorat 1560' which gives a list of the Rentals of the Manor of the Priory of St Mary, Woodbridge. The account makes mention both of Brandeston and Kettleburgh. A number of people are mentioned and their names link up with those who appear in the Wills which date back to 1453, made before the Church Registers began here in 1559.

One entry seems to tie in with the work currently being carried out on the river bridge in Mill Lane, Kettleburgh (See Brandeston and Kettleburgh Parish News, November 2012, pages 8 and 9).

'Lionel Wade holds one free tenement late Thomas Wade formerly John Hylte before William Hylte lying in Brandeston between the land of the said Lionel formerly Robert Cane on the south and the way that leads from Osmonds Brygge towards Debenham on the north whereof the east head abuts on a way bending to the said Osmond Brygge up towards Gippiswich (Ipswich) and the west head on land of the late Prior of St Peter of the town of Gippiswich in part and the land of the said Lionel formerly Robert Cane in part and pays at the feast of St Michael the Archangel and at Easter yearly iiii (4 shillings)'.

452 years ago and the same kind of strengthening work needing to be undertaken now. Do times change all that much?
